

# Homework Assignment 3F

(To be used following Lesson 17)

Name: \_\_\_\_\_ Date: \_\_\_\_\_

1. Third grade students were surveyed to see what color eyes they had. The results of the survey showed that 40 students had blue eyes, 35 had green eyes, and 50 had brown eyes. Display this information on the bar graph below. Be sure to give your graph a title and label the sides.

Use the bar graph above to answer the following questions.

- a. How many students were surveyed? \_\_\_\_\_
- b. What color eyes did the most students have? \_\_\_\_\_
- c. What color eyes did the least students have? \_\_\_\_\_
- d. How many more students had brown eyes than green eyes?  
\_\_\_\_\_
- e. What categorical data does the graph show?
