

# Homework Assignment 5A

(To be used following Lesson 3)

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Jennifer will be playing softball and Patrick will be playing baseball. They will practice once a day. The length of their practices will be as follows:**

**Patrick – 20 minutes, 25 minutes, 30 minutes, 35 minutes, 40 minutes**

**Jennifer – 20 minutes, 22 minutes, 26 minutes, 32 minutes, 40 minutes**

**1. Continue the patterns to show how many days each person will have to practice to reach a practice time of at least 200 minutes.**

**2. Analyze the patterns and write a rule in words or symbols for each.**
