

Homework Assignment 5C1

(To be used following Lesson 8)

Name: _____ Date: _____

1. Explain how to use a function table to find the rule and how to use the rule to fill in the missing numbers.

2. Create four rule cards to be used with the function generators.

3. Using one of your rule cards, create a function table with four or more number pairs.

4. Describe the patterns in your table.
