

# Homework Assignment 4B1

(To be used following Lesson 8)

Name: \_\_\_\_\_ Date: \_\_\_\_\_

1. Create a figure in grid A by shading in 12 units.  
Create a different figure in grid B by again shading in 12 units. Write the area and perimeter of each figure.

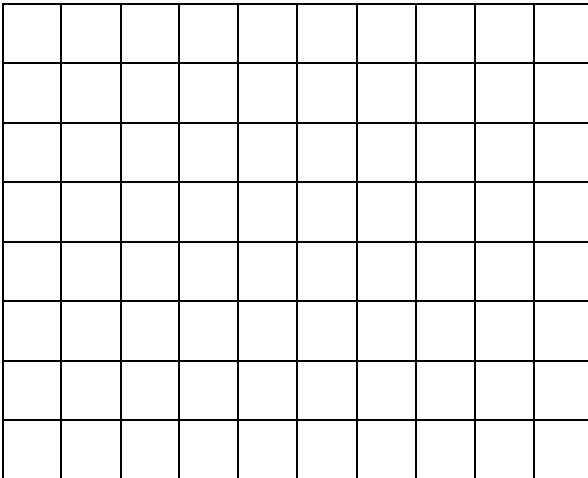

**A.**

Area: \_\_\_\_\_ square units

Perimeter: \_\_\_\_\_ units

**B.**

Area: \_\_\_\_\_ square units

Perimeter: \_\_\_\_\_ units

2. Analyze each figure. Describe how each figure's area and perimeter are alike and different.
