

# Homework Assignment 5D1

(To be used following Lesson 19)

Name: \_\_\_\_\_ Date \_\_\_\_\_

1. Convert the units of grams and kilograms to complete the chart.

Animal	Mass in Grams	Mass in Kilograms
Chimpanzee	55,000 g	
Medium-sized dog		34 kg
Hippopotamus		1,600 kg
Guinea pig	950 g	
House cat		4.5 kg

2. Mrs. Olsen's baby weighed 116 ounces when she was born. How much is 116 ounces in pounds?

Describe your strategy for converting ounces to pounds.
